

CALTRANS UPDATES

California Freight Advisory Committee Meeting
Association of Monterey Bay Area Governments

September 12, 2018

Chris Schmidt, Chief

Division of Transportation Planning
Caltrans

OVERVIEW

Updates:

- Multi-State Collaboration
- AASHTO/NCHRP
- California Transportation Plan 2050
- 2019 California Transportation Planning Conference

MULTI-STATE COLLABORATION

- Interstate 10 Western Connected Corridor Coalition
- Interstate 15 National Economic Partnership
- The West Coast Collaborative
- Western States Freight Coalition

AMERICAN ASSOCIATION OF STATE HIGHWAY & TRANSPORTATION OFFICIALS (AASHTO) SPECIAL COMMITTEE ON FREIGHT YEAR 1 ACTION PLAN

- Goal 1: Develop and support legislation, regulation and other policy matters related to the efficient, safe, and sustainable multimodal movement of goods.
- Goal 2: Improve freight transportation planning practices through the enhancement of freight data and analytical methods and the dissemination of best practices.
- Goal 3: Increase the understanding of emerging technologies and issues related to freight transportation and their implications for state DOTs.
- Goal 4: Improve urban, rural, multi-state, and cross-border freight mobility.
- Goal 5: Promote a freight transportation system that supports community and environmental goals.
- Goal 6: Inform member departments of federal and state regulatory, policy, and program requirements and funding opportunities related to freight transportation.

NATIONAL COOPERATIVE HIGHWAY RESEARCH PROGRAM (NCHRP)

Project 20-05/Topic 49-01: Prioritization of Freight Investment Projects

Meeting: July 12, 2018

Panel: Representatives from California, Maine, Texas, Washington State, Georgia, and Minnesota.

Purpose: Gather current process and methods used by State DOTs for freight investment prioritization.

Identify gaps in project prioritization practices and knowledge, and research needs.

Content: Literature Review
Survey of State DOTs
Case Studies of 6 states

Outcome: Guidebook (*later half of 2018*)

CALIFORNIA TRANSPORTATION PLAN (CTP 2050)

- Long-range transportation plan to improve multimodal mobility and accessibility while reducing GHG
